Professional Background

Neil Colbert, ALC is a Senior Advisor at Saunders Real Estate.

Based in North Alabama, Neil brings over 30 years of real estate sales experience and a hard-earned reputation as one of the region's most respected land professionals. Known throughout the state as the "Alabama Land Pro," he has built a loyal client base through expert guidance, honest counsel, and a results-driven approach to selling land, farms, and rural homes.

An Alabama native, Neil grew up in Gaylesville (Cherokee County), and is a graduate of Gaylesville School and Northeast Alabama Community College. He also attended Jacksonville State University. Neil and his wife, Deb, now live in Fort Payne, where they enjoy small-town life surrounded by the natural beauty of the region.

As a member of the REALTORS® Land Institute (RLI), Neil is one of fewer than 10 Accredited Land Consultants (ALC) in North Alabama—a designation held by fewer than 1,500 land professionals nationwide. His expertise, integrity, and commitment to excellence ensure that every client receives top-tier representation.

A seasoned and trusted real estate advisor, Neil focuses on getting properties sold—not just listed. His clients benefit from strategic marketing, local expertise, and a high-touch service experience that's focused on results. Whether selling a farm, a large land tract, or a home on acreage, Neil provides the knowledge and professionalism to guide every transaction smoothly to the finish line.

Beyond real estate, Neil is an avid outdoorsman who enjoys hunting, fishing, and golfing. While he has achieved great success in his career, his greatest joy comes from his family - he and Deb are the proud grandparents of two granddaughters and a grandson.
