WELCOME TO 61.33± ACRES ON POLK ROAD 676

WELCOME TO A 61.33± ACRE TRACT OF MIXED-USE LAND ON POLK ROAD 676 IN MENA, ARKANSAS. This Polk County property offers a nice mix of timber and pasture along with ample opportunities for outdoor enjoyment. A future timber harvest is growing as we speak. The pasture is productive, with predominantly native grasses growing to feed your livestock. If livestock is not your thing, there is an abundance of wildlife calling this area home. For the water on your wish list, a couple of great options include a pond and creek. The nice-sized pond is centrally located on the acreage, providing water for livestock and wildlife, and it has been a good producer of largemouth bass for the current owner. In case the pond is not enough, the year-round Chances Creek runs across the east side of the property for your "live" water needs.
