230.	Pro	operty located at 11349 Equine Dr St Charles 55972
231. 232. 233. 234. 235. 236.		NOTE: If the above answer is "IS," Buyer may be subject to income tax withholding in connection with the transaction (unless the transaction is covered by an applicable exception to FIRPTA withholding). In non-exempt transactions, Buyer may be liable for the tax if Buyer fails to withhold. If the above answer is "IS NOT," Buyer may wish to obtain specific documentation from Seller ensuring Buyer is exempt from the withholding requirements as prescribed under Section 1445 of the Internal Revenue Code.
237. 238. 239. 240.		Due to the complexity and potential risks of failing to comply with FIRPTA, including Buyer's responsibility for withholding the applicable tax, Buyer and Seller should seek appropriate legal and tax advice regarding FIRPTA compliance, as the respective licensees representing or assisting either party will be unable to assure either party whether the transaction is exempt from the FIRPTA withholding requirements.
241. 242. 243. 244. 245.	L	METHAMPHETAMINE PRODUCTION DISCLOSURE:  (A Methamphetamine Production Disclosure is required by MN Statute 152.0275, Subd. 2 (m).)  Seller is not aware of any methamphetamine production that has occurred on the Property.  Seller is aware that methamphetamine production has occurred on the Property.  (See Disclosure Statement: Methamphetamine Production.)
246. 247. 248. 249. 250.	J.	<b>NOTICE REGARDING AIRPORT ZONING REGULATIONS:</b> The Property may be in or near an airport safety zone with zoning regulations adopted by the governing body that may affect the Property. Such zoning regulations are filed with the county recorder in each county where the zoned area is located. If you would like to determine if such zoning regulations affect the Property, you should contact the county recorder where the zoned area is located.
251. 252. 253.	K.	<b>NOTICE REGARDING CARBON MONOXIDE DETECTORS:</b> MN Statute 299F.51 requires Carbon Monoxide Detectors to be located within ten (10) feet from all sleeping rooms. Carbon Monoxide Detectors may or may not be personal property and may or may not be included in the sale of the home.
254. 255. 256. 257. 258.	L.	CEMETERY ACT: The following questions are to be answered to the best of Seller's knowledge.  MN Statute 307.08 prohibits any damage or illegal molestation of human remains, burials or cemeteries. A person who intentionally, willfully and knowingly destroys, mutilates, injures, disturbs, or removes human skeletal remains or human burial grounds is guilty of a felony.
259.		Are you aware of any human remains, burials, or cemeteries located on the Property?  Yes  Yes
260. 261. 262.		All unidentified human remains or burials found outside of platted, recorded or identified cemeteries and in contexts which indicate antiquity greater than 50 years shall be dealt with according to the provisions of MN Statute 307.08, Subd. 7.
263. 264. 265. 266. 267. 268. 269.	M.	ENVIRONMENTAL CONCERNS: To your knowledge, have any of the following previously existed or do they currently exist on the Property? 286. N. RADON DISCLOSURE: (The following Seller disclosure satisfies MN Statute 144.496.)  RADON WARNING STATEMENT: The Minnesota Department of Health strongly recommends that ALL homebuyers have an indoor radon test performed prior to purchase or taking occupancy, and recommends awing the radon levels mitigated if elevated radon concentrations are found. Elevated radon concentrations can easily be reduced by a qualified, certified, or licensed, if applicable, radon mitigator.  Every buyer of any interest in residential real property is notified that the property may present exposure to agarcerous levels of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a Class A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. The seller of any interest in residential real property is required to provide the buyer with any information or nadon test results of the dwelling.  RADON IN REAL ESTATE: By signing this Statement, Buyer hereby acknowledges receipt of the Minnesota Department of Health's publication entitled Radon in Real Estate Transactions, which is attached hereto and can be found at www.health.state.mn.us/communities/environment/air/radon/radonre.html.  A seller who fails to disclose the information required under MN Statute 144.496 may bring a civil action and recover damages and receive other equitable relief as determined by Statute 144.496 may bring a civil action and recover damages and receive other equitable relief as determined by purchase or transfer of the real Property.  SELLER'S REPRESENTATIONS: The following are representations made by Seller to the extent of Seller's actual knowledge.  (a) Radon test(s) HAVE NOT occurred on the Property.  (b) Describe any known radon concentrations, mitigation, or remediation. NOTE: Seller shall attach the most current records and reports pertaining to radon concentration within the dwelling:  (c) There Is S IS NOT a radon mitigation system currently installed o	285	the first replacement

September 23rd, 2025

1. Date

	2. Page 1 of pages: 3. THE REQUIRED MAP IS ATTACHED AND MADE A 4. PART OF THIS DISCLOSURE.
5.	Property located at 11349 Equine Dr ,
6.	City of St Charles , County of Winona ,
7.	State of Minnesota, Zip Code 55972 , legally described as follows or on attached sheet:
8.	SECT-17 TWP-106 RANGE-010 PAR 400' X 544' CONTG 5 AC IN NE 1/4 NW 1/4 ("Property").
9. 10.	This disclosure is not a warranty of any kind by Seller(s) or any licensee(s) representing or assisting any party(ies) in this transaction, and is not a substitute for any inspections or warranties the party(ies) may wish to obtain.
11. 12. 13. 14.	BUYER(S) AND SELLER(S) MAY WISH TO OBTAIN PROFESSIONAL ADVICE AND/OR INSPECTIONS OF THE SUBSURFACE SEWAGE TREATMENT SYSTEM AND TO PROVIDE FOR APPROPRIATE PROVISIONS IN A CONTRACT BETWEEN BUYER(S) AND SELLER(S) WITH RESPECT TO ANY ADVICE/INSPECTION/DEFECTS.
15. 16. 17. 18. 19.	<b>SELLER'S INFORMATION:</b> The following Seller disclosure satisfies MN Statutes Chapter 115.55. Seller discloses the following information with the knowledge that even though this is not a warranty, prospective Buyers may rely on this information in deciding whether and on what terms to purchase the Property. The Seller(s) authorizes any licensee(s) representing or assisting any party(ies) in this transaction to provide a copy of this statement to any person or entity in connection with any actual or anticipated sale of the Property.
20. 21. 22. 23. 24. 25.	Unless Buyer and Seller agree to the contrary in writing before the closing of the sale, a Seller who fails to disclose the existence or known status of a subsurface sewage treatment system at the time of sale, and who knew or had reason to know of the existence or known status of the system, is liable to Buyer for costs relating to bringing the system into compliance with subsurface sewage treatment system rules and for reasonable attorney fees for collection of costs from Seller. An action under this subdivision must be commenced within two years after the date on which Buyer closed the purchase of the real property where the system is located.
26. 27. 28.	Legal requirements exist relating to various aspects of location and status of subsurface sewage treatment systems. Buyer is advised to contact the local unit(s) of government, state agency, or qualified professional which regulates subsurface sewage treatment systems for further information about these issues.
29. 30.	The following are representations made by Seller(s) to the extent of Seller(s) actual knowledge. This information is a disclosure and is not intended to be part of any contract between Buyer and Seller.
31.	SUBSURFACE SEWAGE TREATMENT SYSTEM DISCLOSURE: (Check the appropriate boxes.)
32.	Seller certifies that the following subsurface sewage treatment system is on or serving the above-described Property.
33. 34.	TYPE: (Check appropriate box(es) and indicate location on attached Disclosure Statement: Location Map.)  Septic Tank: with drain field with mound system seepage tank with open end
35.	Is this system a straight-pipe system?
36.	Sealed System (holding tank)
37.	Other (Describe.):
38.	Is the subsurface sewage treatment system(s) currently in use?
39. 40.	Is the above-described Property served by a subsurface sewage treatment system located entirely within the Property boundary lines, including setback requirements?
41.	If "No," please explain:
42.	
43.	Comments:
44.	

# DISCLOSURE STATEMENT: SUBSURFACE SEWAGE TREATMENT SYSTEM

46.	Property located at 11349 Equine Dr St Charles 55972
47. 48.	Is the subsurface sewage treatment system(s) a shared system?    Yes   No
49.	(1) How many properties or residences does the subsurface sewage treatment system serve?
50.	
51.	(2) Is there a maintenance agreement for the shared subsurface sewage treatment system? Yes No
52.	If "Yes," what is the annual maintenance fee? \$
53. 54.	NOTE: If any water use appliance, bedroom, or bathroom has been added to the Property, the system may no longer comply with applicable sewage treatment system laws and rules.
55.	Seller or transferor shall disclose to Buyer or transferee what Seller or transferor has knowledge of relative to the
56.	compliance status of the subsurface sewage treatment system. In specifed and in
57.	conflignce. (Sept. 2025)
58.	
59.	Any previous inspection report in Seller's possession must be attached to this Disclosure Statement.
60.	When was the subsurface sewage treatment system installed?
61.	Installer Name/Phone Horschute Septic 507-876-2700
62.	Where is tank located? east of house
63.	What is tank size? 1,000 gallon!
64.	When was tank last pumped? 4/18/25
65.	How often is tank pumped? 1-2 years
66.	Where is the drain field located? east of house in pasture
67.	What is the drain field size? 1200 sq ft, 400 kined feet
68.	Describe work performed to the subsurface sewage treatment system since you have owned the Property.
69.	No Furth work
70.	
71.	Date work performed/by whom:
72.	
73.	Approximate number of:
74.	people using the subsurface sewage treatment system
75.	showers/baths taken per week
76.	wash loads per week
77. 78.	NOTE: Changes in the number of people using the subsurface sewage treatment system or volume of water used may affect the subsurface sewage treatment system performance.
79.	Distance between well and subsurface sewage treatment system? 150 feet
80.	Have you received any notices from any government agencies relating to the subsurface sewage treatment system?
81.	(If "Yes," see attached notice.)

#### DISCLOSURE STATEMENT: WELL

86. Page 3

87.	WELL USE STATUS: Indicate the use status of each well. CHECK ONLY ONE (1) BOX PER WELL.
88. 89.	<b>IN USE:</b> A well is "in use" if the well is operated on a daily, regular, or seasonal basis. A well in use includes a well that operates for the purpose of irrigation, fire protection, or emergency pumping.
90. 91.	NOT IN USE: A well is "not in use" if the well does not meet the definition of "in use" above and has not been sealed by a licensed well contractor.
92. 93. 94. 95.	<b>SEALED:</b> A well is "sealed" if a licensed contractor has completely filled a well by pumping grout material throughout the entire bore hole after removal of any obstructions from the well. A well is "capped" if it has a metal or plastic cap or cover which is threaded, bolted or welded into the top of the well to prevent entry into the well. A "capped" well is not a "sealed" well.
96. 97.	If the well has been sealed by someone other than a licensed well contractor or a licensed well sealing contractor, check the well status as "not in use."
98. 99.	If you have any questions, please contact the Minnesota Department of Health, Well Management Section, at (651) 201-4587 (metropolitan Minneapolis-St. Paul) or 1-800-383-9808 (greater Minnesota).
101. 102. 103. 104. 105. 106. 107.	Seller(s) hereby states that the facts as stated above are true and accurate and authorizes any licensee(s) representing or assisting any party(ies) in this transaction to provide a copy of this Disclosure Statement to any person or entity in connection with any actual or anticipated sale of the Property. A seller may provide this Disclosure Statement to a real estate licensee representing or assisting a prospective buyer. The Disclosure Statement provided to the real estate licensee representing or assisting a prospective buyer is considered to have been provided to the prospective buyer. If this Disclosure Statement is provided to the real estate licensee representing or assisting the prospective buyer, the real estate licensee must provide a copy to the prospective buyer.
109.	Seller is obligated to continue to notify Buyer in writing of any facts that differ from the facts disclosed here (new or changed) of which Seller is aware that could adversely and significantly affect the Buyer's use or enjoyment of the Property or any intended use of the Property that occur up to the time of closing. To disclose new or changed facts, please use the Amendment to Disclosure Statement form.
