PROPERTY OVERVIEW

Positioned just outside Wauchula in Hardee County, this 114± acre riverfront assemblage pairs rare Peace River access with high-visibility highway frontage. The property presents approximately 859.53 feet of Peace River shoreline and ±2,179 feet along State Road 64, with South Florida Avenue bisecting the tract for excellent internal circulation and multiple access points.

With nearby examples of outdoor hospitality and limited large-scale development in the immediate Wauchula area, the site is well-suited for an RV resort or river-oriented recreational destination, a mixed-use commercial, or a phased residential plan with a commercial village at the hard corner.
